

Corporate Membership

# TIMBER

## Expanding, Building & Maintaining Mountain Bike Trails and Routes in Thetford Forest

**Help us to improve the trails for everyone by becoming a corporate member of TIMBER**

TIMBER is a non-profit organisation dedicated to improving mountain biking in Thetford Forest for riders of all levels. TIMBER members and volunteers build and maintain trails with the cooperation and support of the Forestry Commission.

Due to their popularity the trails in Thetford Forest are in desperate need of maintenance. We urgently need to raise money to invest in improvements. It could cost at least £5 per metre to protect the existing trails from erosion.

Companies can help us achieve our aims with sponsorship or by becoming corporate members of TIMBER. Any organisation can become a corporate member and have the same rights as normal members allowing your business to take part in TIMBER events. We offer 3 levels of membership.

**BRONZE** £50 per year  
Your company logo and contact details are displayed on the TIMBER corporate membership page with a link to your website.

**SILVER** £100 per year  
All the benefits of Bronze membership plus you will be able to add extra details describing your business, what it offers etc.

**GOLD** £150 per year  
All the benefits of Bronze and Silver membership plus your logo will be displayed on TIMBER web pages and in the newsletter!

Contact [treasurer@timbermtb.org](mailto:treasurer@timbermtb.org) if you can help.

# TIMBER Corporate Membership Application

TIMBER corporate membership is open to any business or organisation – even if unrelated to cycling. For admin purposes a primary contact person should be identified. The primary contact and/or their nominated representatives can attend TIMBER business meetings and events and have the same benefits as any other TIMBER member. For insurance reasons only the primary contact can attend TIMBER trail build days - others must apply separately for personal membership to ensure they are covered by our group insurance. Corporate membership is valid for 12 months from the start of the next calendar month.

## Organisation Details for the TIMBER Website

**Name** \_\_\_\_\_

**Website** \_\_\_\_\_

**Address 1** \_\_\_\_\_

**Address 2** \_\_\_\_\_

**Address 3** \_\_\_\_\_
